

# SOUTHWESTERN ADVENTIST UNIVERSITY

Southwestern Adventist University welcomed Dr. Ken Shaw as its 25<sup>th</sup> President in July of 2014.

"It has been a privilege to serve among Christian faculty and staff to provide quality Christian education for each student that comes to our University," Shaw states. During his short tenure the University has been blessed with an increase in enrollment, a significant increase in fundraising, the opening of the Dinosaur Science Museum, and most recently with groundbreaking for the new \$15.5M Larry R. Moore Nursing and Administrative Building. These changes are possible because of the support of the extended community of alumni and friends and the dedicated employees who make this institution a special place to attend college. "I am convicted that God led us here. My faith has grown stronger due to the many blessings God has given to the University. My wife, Ann, and I love the interaction we have with our students and we ask for your prayers on behalf of our students, faculty, staff and administrators." Dr. Shaw came from Florida State University where he served for 25 years as a professor, campus administrator and academic dean.

<sup>7</sup> *The end of all things is near. Therefore be alert and of sober mind so that you may pray.* <sup>8</sup> *Above all, love each other deeply, because love covers over a multitude of sins.* <sup>9</sup> *Offer hospitality to one another without grumbling.* <sup>10</sup> *Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.* <sup>11</sup> *If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To Him be the glory and the power for ever and ever. Amen.*
