21. The meaning of 1844

"There are many precious truths contained in the Word of God, but it is "present truth" that the flock needs now. I have seen the danger of the messengers running off from the important points of present truth, to dwell upon subjects that are not calculated to unite the flock and sanctify the soul.... But such subjects as the **sanctuary, in connection with the 2300 days, the commandments of God and the faith of Jesus**, are perfectly calculated to explain the past Advent movement and show what our present position is, establish the faith of the doubting, and give certainty to the glorious future." Early Writings p.63

"Satan is now using every device in this sealing time to keep the minds of God's people from the present truth and to cause them to waver." Early Writings p.43

## His Gift

Romans 8:32,

contains a most magnificent statement:

"He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?" (KJV).

That's what you call a gift! God giving Himself for us.

For me the joy of Christmas comes, of course, with the birth of a Child, but it comes primarily because I know that that Child has given all human beings a need and a reason for joy.

As we enter the Christmas season,

I don't know who's coming and who's going. But may God bless you through this season if you are lonely, reach out to someone and allow them to minister to you.

I pray that God gives each of us a song in our heart, hope, and joy — that we will give God all the praise for His wondrous gift.

By: Daniel R. Jackson

President of the North American Division.

This article is based on a devotional talk at an NAD staff worship.
