God Chose You!!

We read the black and white letters in scripture all the time that say nice little things like that...we memorize scripture...we share it with others when we notice someone in need...we condemn with scripture when it fits the situation...but do we ever really ponder, digest, and fully comprehend the exact dynamics that make a text what it is?

Pastor Raul Alvarez

Who was the author writing to? What was the situation at the time of the statement? What was going on in the readers life when the text was penned? Then, ask yourself, am I that same person?

When you read "Since God Chose You", do you understand what that means?

God was not surprised when you came into existence, God wasn't confused and wondering if you would be a good investment with His Son's life on the line. God knew that if you walked this earth and He had a chance to bring you to heaven one day, you were/are worth it!

I know that right now we are here for Camp Texico On-The-Go, and we run youth ministry programming, but no matter the age, no matter the number of attendees, God chose every soul that walks through the doors of the church! God chose the youngest, God chose the oldest, and the in-between! Where are you? Do you realize that God chose you? Do you realize that you are worth every pain and sorrow in His eyes! You are chosen, even before you knew you needed to be chosen! And you will never not be chosen!

It is our goal during this summer is to make sure that the young people who attend summer camp know that heaven has their name in it! If we do nothing else this summer, each young person that attends will know that they can make it to heaven, and Jesus is on their side!

This week has been filled with time building and launching rockets! Learning to drive RC Cars! Understanding that like certain chemicals are drawn to each other, Jesus wants to draw near to us and us to Him! Like a slime bouncy ball with lots of chemicals, Jesus fills us with all the fruits of the spirit to be made into something and someone better than who we are! We can go on and on with the different ways we show our young people Jesus, but at the end of the day we want them to know most of all that Jesus is their friend, and Heaven is attainable, and we want to be there together!

As always Lubbock, we love being here and look forward to when we can come back! You are loved and prayed for!

-Pastor Eric and the Camp Texico Team!
